

# BARKER ROAD

## NORTH OF SPOKANE RIVER

### BARKER ROAD AT TRENT AVE./ SR-290

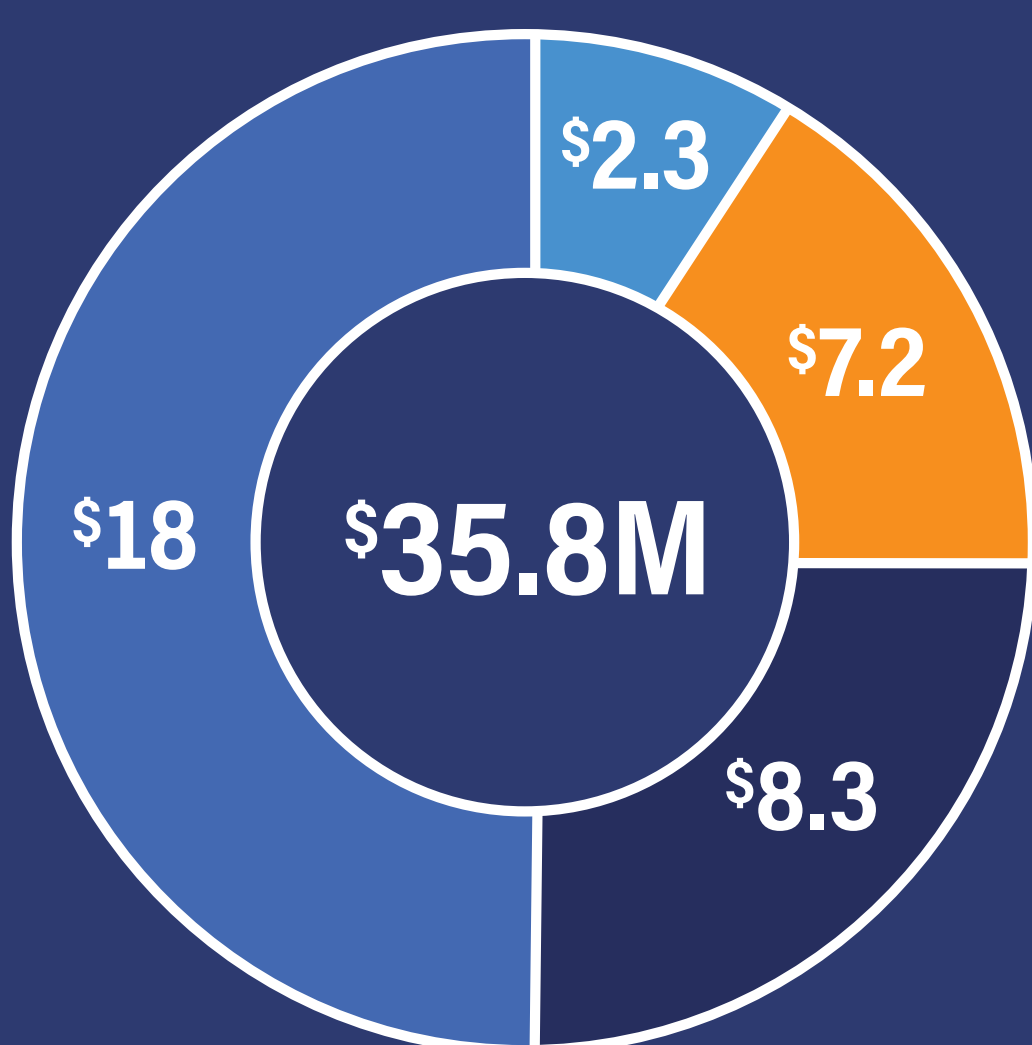

- 1 New Barker Road bridge creating a grade separation of road and train tracks at BNSF
- 2 New roundabout at SR-290 and Barker Road

### BARKER ROAD FROM GARLAND AVE. TO EUCLID AVE.

- 3 Barker Road widening with new center turn lane
- 4 New multi-use path connecting with the regional Centennial Trail
- 5 Railroad signal modifications at the Union Pacific Railroad (UPRR) crossing
- 6 Improved the intersections of Barker Road allowing larger truck turning movement
- 7 New sidewalk on E. Euclid Ave.

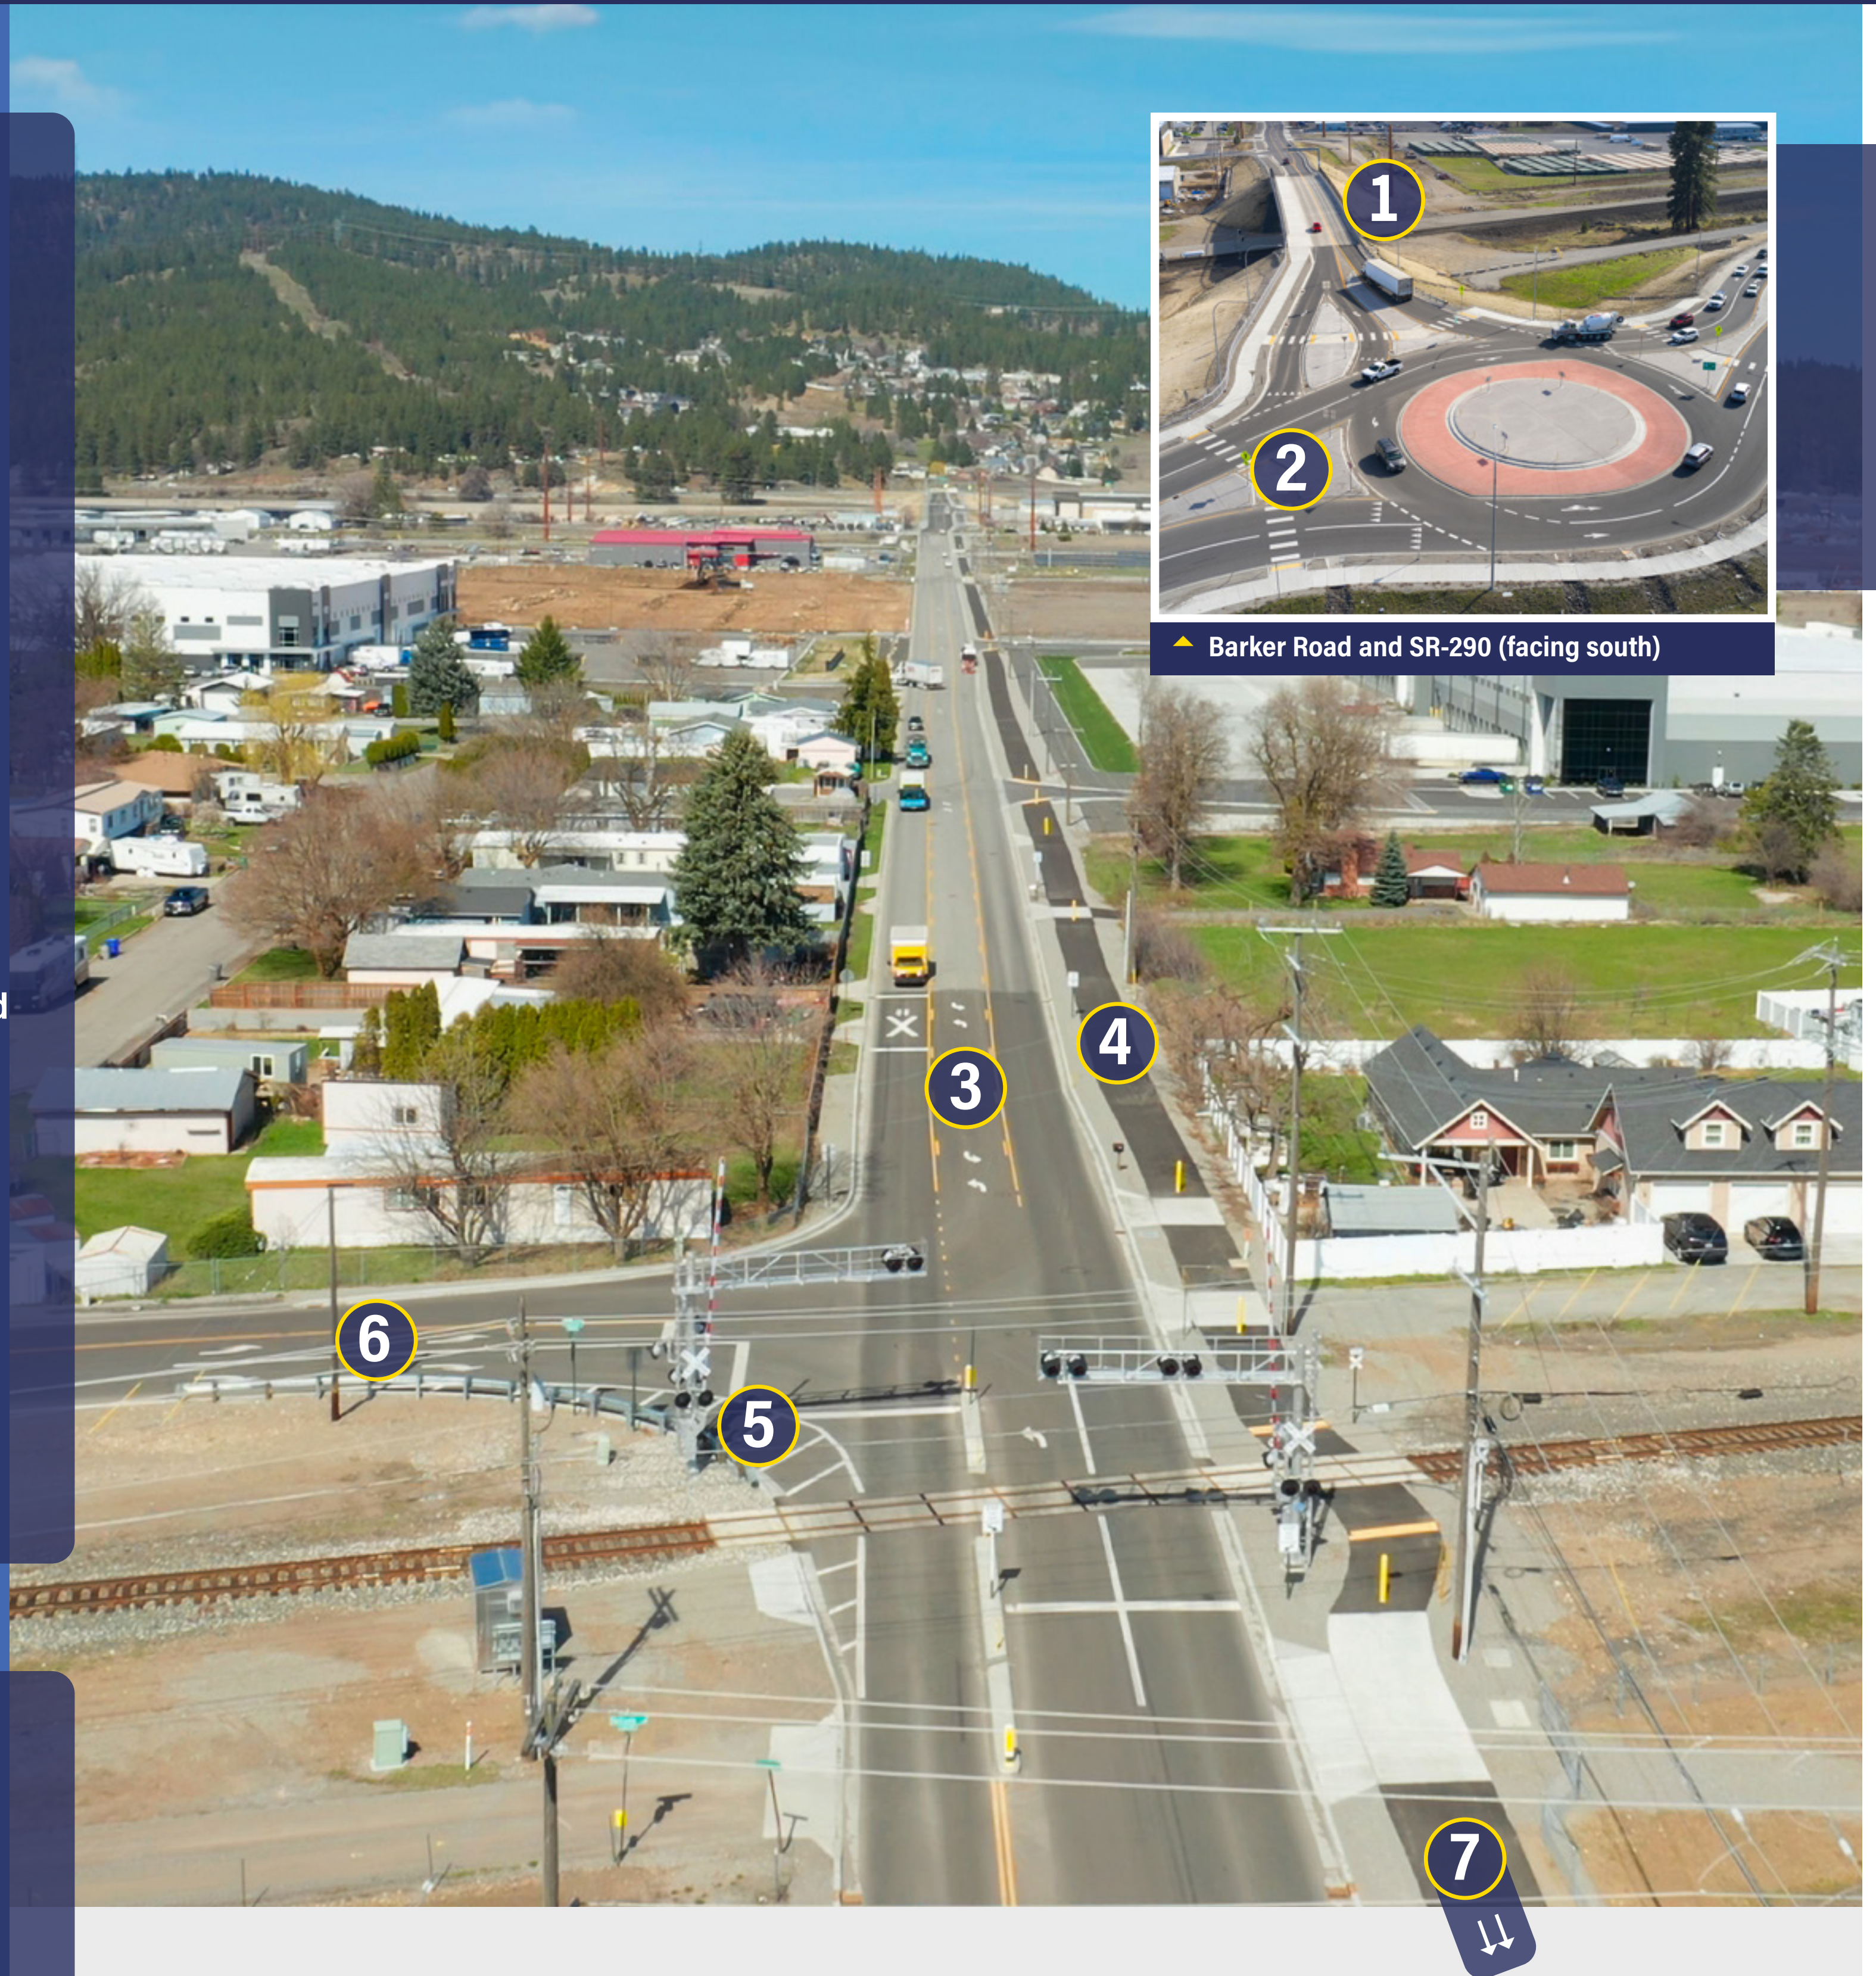

### PROJECT-WIDE IMPROVEMENTS

- ▶ Sewer extension funded by Spokane County
- ▶ Water system improvements funded by CID #19
- ▶ Stormwater infrastructure improvements

### FUNDING

Total project budget of \$35.8 million funded by \$7.2 million city funds, \$18 million federal funds, \$8.3 million state funds and \$2.3 million county, water district and railway funds.

▶ Barker Road and SR-290 (facing south)

### PROJECT BENEFITS AND OUTCOMES

- ▶ Reduced traffic congestion improving the flow of traffic
- ▶ Eliminated almost three hours a day of vehicle wait times at railroad crossing
- ▶ Reduced noise pollution by eliminating the need for train horns
- ▶ Increased access to goods, services and the industrial neighborhood
- ▶ Improved access for emergency vehicles
- ▶ Increased safety for bicyclists and pedestrians
- ▶ Improved water quality of Spokane River and aquifer
- ▶ Supported development of almost 600 acres of commercial/industrial property
- ▶ Attracted new businesses and jobs

### Thank You, Partners!
